

Glass Break Sensors

GSO-10L

Product Specifications

1. Features

- High sensitive piezo electric sensor (Latch type)
- 10' radius coverage
- Open loop circuit
- 3 ft. 2-conductor AWG #22 leads
- Color: Brown, Gray or Ivory

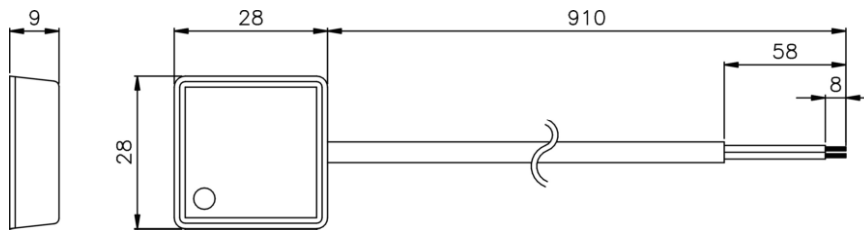

GSO-10L

GSO-10P

2. Dimensions

3. Specifications

Model	Resistance		Operating loop voltage	TYPE	Lead	Mounting Method	Operating Temperature Range
GSO-10L	5MΩ	1kΩ.	3V to 20V D.C	Latch	22 AWG 2 conductor 3 ft. length	Packaged Double-stick adhesive tape	-10°C ~ 50°C
GSO-10P				Reset type			

- GSO-10L: Alarm signal latching with LED indicator

- GSO-10P: Auto reset type with LED indicator
